Famous People Talk About Star Wars

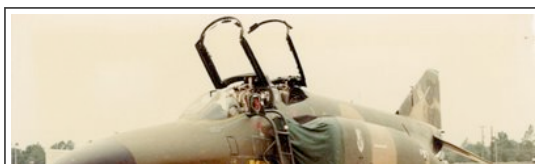

Digg [submit](#)

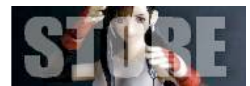

People in the entertainment industry share their memories of Star Wars with Robo Japan.
Compiled From Interviews By: Ken Hulsey

"Star Wars" was of course a cultural phenom that changed the world of filmmaking. I remember all the action figures when I was little, and I always thought they were pretty cool. I remember those and my brother's 'Kiss' action figures vividly. The first time I saw Star Wars was on VHS. I was completely blown away with the creativity, concept and characters! I thought the effects were amazing- particularly so for 1978! I loved R2D2 and C3PO. The Star Wars bar rocked, and I make references to it often. If I have to pick my favorite characters- it would have to be the Ewoks from Return of the Jedi- ugly, cute, and whimsical all at the same time. As a "true" Star Wars fan - I'm not as fond of the new 'prequels'...."
